First Full Week

To all the new and returning students and their families. We are so happy you are here. The children are making new friends and in true Montessori fashion the older ones are helping the younger ones.

Catechesis of the Good Shepherd

The Bible and the Prayer Table

Little by little the children have been brought into the atrium simply to get used to the space. They are learning silence and the peace that comes with it.

Letter Sound of the Week

This week the children studied the letter sound and the letter stroke for **a**. For older children this is a review and a reinforcement and for younger children this is the beginning of the journey towards reading.

Smile

One of the children when looking at the fountain in the Peace Garden Said "There's a lot of *allergies* in there!"

As a child headed toward the lunch line, he realized he would be last.

Quoting scripture he commented "The last will be first - can I be first?"
